What would you say is the major problem facing society?  
Why?

- Immorality –
- Emptiness/Anonymity –
- Alienation/Loneliness –
- A person with moral standards facing emptiness and loneliness will see others as \_\_\_\_\_ to his pursuit of happiness.  
(See *James 4:1-2*)

When a person becomes a believer:

- The word of God reveals a \_\_\_\_\_ standard.

- The believer is no longer \_\_\_\_\_ or \_\_\_\_\_.

- Nor do believers suffer from \_\_\_\_\_ or \_\_\_\_\_.

Christianity is not \_\_\_\_\_, it is \_\_\_\_\_ and \_\_\_\_\_.

Can you explain the concept of "Redemption and light"?  
How have you personally experienced it?

In *vs 18-4:1*, Paul highlights the principle of \_\_\_\_\_  
\_\_\_\_\_ in the Christian home.
