

What part does *1 Corinthians 2:9* play in your life?

What do you think of the 3rd servant? How is he characterized by the king? What is his end?

What is the lesson of Jesus' parable?

Faithful Stewardship

Luke 19:11-27

Pastor Zac Nazarian | Jan 31-Feb 1, 2026

Does the Lord trust you?

Does He believe in you?

How can you know?

What gifts, talents, resources, responsibilities, relationships has He entrusted to you?

The parable of the 10 minas can be loosely connected to a historical reality known to the people of Judah, particularly those in Jericho.

Who was Israel ruled by in the time of Jesus?

All people fall into one of 3 distinct groups:

1)

2)

3)

Note the parallels:

- Rome – “a distant country”- heaven

- Archelaus - “a man of noble birth” – Jesus

- Servants – all who profess loyalty and service to Jesus

- Hateful subjects – Jesus’ enemies

Who would want to be an enemy of Jesus?

What is their end? (vs 27)

Why do you think this parable is so important?

What characterizes a faithful servant?

What are you doing with the “mina” entrusted to you?

How accountable are you now?
