With what three questions did the Jewish religious leaders attempt to discredit, disqualify, and ultimately destroy Jesus? (See *Luke 20:1-39*)

Jesus "*turned the table*" and asked his own question...

What is the question and why does He ask it? (*vs 41*).

Who do people say Jesus is?

Who do you say Jesus is?

What does the Bible teach about who Jesus is? Who does Jesus say He is?

If, in fact, Jesus is God in the _____, then the _____ is true, and _____ truth claims are verified.

The unmistakably clear testimony of Scripture is that _____ will go to heaven who _____ the truth that Jesus Christ is _____.

In Matthew's account, how do the religious leaders answer Jesus' question? (*Matthew 22:41-42*)

How would you characterize their answer?

Jesus then asks a follow-up rhetorical question – What is it?
(See *Matthew 22:43; Mark 12:37a; Luke 20:44*)

Jesus quotes David in *Psalms 110:1* – His point is that if the Messiah was merely a man, why did David refer to Him as his Lord?

How do the religious leaders respond? (see *Matthew 22:46*)

As both David's son (descendant) and David's Lord, Jesus as Messiah, is fully _____ and fully _____
